1) **DISCUSSION OF THE FOLLOWING APPLICATIONS**

a) **23/00618/TPO – 84 Lavender Crescent, Feering**

Comments by Councillors: Response received from our Tree Warden, who has said that there is no issue with this application. Do not feel comfortable going against Tree Warden's advice. We asked Tree Warden whether the pollarding is too frequent, but she has confirmed that this can be done every year, but in the UK it tends to be every 2-4.

Delegated response: Following consultation with our Tree Warden, the Parish Council have no issue with this application.

b) **23/00298/TPO – 13 Feering Hill, Feering**

Comments by Councillors: Councillors do not have enough experience to comment on this application. Will ask the Tree Warden whether they have any comments.

Delegated response: Feering Parish Council will defer this application to the BDC Tree Wardens.
